

Professor Poopenstinken's MAGICAL MATHS

Magical Maths is coming to St Catherine's Primary School !

Magical Maths is a super fun after school club designed to boost children's confidence and further engage them with maths. We have a range of exciting games, tricks and activities designed to support or stretch the children as needed!

The club starts **Thursday 6th November** and will run for 5 weeks 3:15 - 4:15pm. The cost is £41. Open to Y1 to Y6. The children in the club will receive a Magical Maths pencil and folder to collect their tricks, activities and stickers, as well as access to our Magical Maths Online platform at home. The children will have an exciting classroom visit from Professor Poopenstinken on **7th October** to try out some of our tricks and games - please do ask them to tell you about it!

Each week has a different theme and a dressed up character including Professor Poopenstinken (maths genius), the Mathemagician, Stately Holmes (maths detective) and the Olympic Mathletes!

'Magical Maths' have recorded a video to tell you more and photos are overleaf. If you'd like to **beat the rush** and secure your place - bookings are now open!

For more information and to sign up, visit: www.magicalmathsclub.com
Or call 02392 983505.

Places are limited so
sign up quickly!

Don't miss out on over 260 hours of videos, worksheets, quizzes and games, specially designed to compliment our after school clubs and continue the fun and learning from home!
