Dear Parents / Carers,

Recently, many of our current parents/carers and those joining in September, have enquired about the possibility of after school childcare at St Catherine's. As a result, we have reached out to an external provider we think would be a great fit for our school, Good Ground Childcare.

Before further plans are put in place, we want to gauge interest in providing this service at our school. If there is a good response, we will meet with Good Ground Childcare to explore further the possibility of having after school childcare in place from next September.

If interested, please complete the form below by Friday the 3rd of May.
