Dear Parents and Carers,

The **School Council** played an important role in our school last year, and next week pupils will be choosing new representatives for their classes. The Council is made up of two children from each class in Years 1-6, who meet regularly with Mrs Gray to discuss school matters and share the views of their classmates.

If your child would like to stand as a School Council Representative, they should prepare a short presentation (no longer than two minutes) to explain why they would be a great choice. This can take any form — such as a speech, a PowerPoint, or even a song — and should highlight the skills and qualities they can bring to the role. For example: reliability, responsibility, friendliness, good listening skills, honesty and a hardworking attitude.

Presentations will take place from **Tuesday 9th September**, so pupils should have theirs ready by this date. By the end of the week, each class will vote for their new representatives. To give as many pupils as possible the chance to take part, children who have previously served on the School Council will not be eligible this year.

We wish all pupils the very best of luck and look forward to hearing their presentations!

Yours sincerely,

Mr Croghan
Headteacher
