Dear Families,

We are two artist educators with an exciting opportunity for your children.

We are pleased to be able to offer an after-school arts and crafts club at Littlehampton's new community hub, "Creative Heart," in Beach Road.

The young people will encounter a wide variety of projects and mediums including; clay, drawing skills, weaving, printing and painting. There will be fun and colour aplenty!

Kind Regards,

Esther Heylen and Deirdre Carolin
