20 June 2022

Dear Parents/Carers,

We have had an increase in the number of COVID-19 cases in school this week. Here is a reminder of our current guidance.

In accordance with guidance from the DfE:

- pupils with symptoms of a respiratory infection who are unwell and have a high temperature should stay at home and avoid contact with other people. They can come back to school **when they no longer have a high temperature, and they are well enough to attend.**
- pupils with a positive COVID-19 test result should stay at home and avoid contact with other people for **3 days**, which is when they are most infectious, returning to school **when they no longer have a high temperature, and they are well enough to attend.**

Our COVID-19 numbers have been extremely low for some time now so we ask that all parents/carers be extra vigilant when looking out for symptoms to ensure that we do not have a further increase in cases.

Thank you for your continued cooperation.

Mr Croghan
