Dear Parents/Carers,

This half-term, we are setting pupils a geographical challenge!

In Year 2, pupils learn to locate the continents and major oceans of the world. A fun way for pupils to test this knowledge is by playing the following online game:

<https://www.geoguessr.com/vgp/3188>

Over half term, we are challenging pupils to complete this game accurately and in the shortest possible time. **Pupils from any year group can have a go.** In our first week back after half term, pupils will be given the opportunity, if they wish, to complete the quiz in front of their classmates to show them how accurately and quickly they can do it. On Friday the 3rd of November, we will hold a special assembly where a selection of pupils from across the school will compete against each other to crown an overall champion.

Parents/carers, you can get involved too by having a go and sending in your best time for your child to share with their class.

Thank you for your continued support.
