

The Big Build – Raised Beds

On Monday 21st February (Half Term) we are making a raised bed area on the grass behind the Year 5 & 6 classroom.

If you have a couple of hours to spare and would like to come along and help we would love to see you. Due to landscapers working on the Prayer Area on this day, we can sadly not have anyone under the age of 18 on site.

If you would like to get involved please contact the office or Mrs Supriyadi for details.
