## Outdoor Learning Area

We are so pleased with the results of our continuing work to transform our outdoor learning area. You can find details and pictures of each stage of the project on our [school website](#). One of our jobs going forward is to maintain the area and keep it looking great. Pupils are doing their part by helping with watering during the school day and extra jobs in gardening club. In addition to this, we are looking for some volunteers to dedicate some time each week to coming in and helping with some general gardening work. If you think you are able to help, please get in touch with the school office.

Word of the Week: recognise

## Headteacher's Award

The award goes to all of **Year 6** for the huge effort they put into completing their SATs this week. We are all really proud of how you applied yourselves and the support you gave to each other. You have once again shown yourselves to be a wonderful cohort and great role models for the rest of the school.

## Phones

Pupils are only allowed to bring phones in to school if they walk to or from school without an adult, and so need their phone in case of an emergency. Thank you to all these pupils who now bring their phone straight to the office once inside the school gate in the morning.

## Important Upcoming Dates

We will be celebrating the Queen's Jubilee with a special Jubilee picnic after school on Friday 10<sup>th</sup> of June. As a result, Sports Day has now been moved to Thursday 16<sup>th</sup> of June. Please see the calendar on the school website for the latest dates.

## Questionnaire

We are trying to gauge the interest in providing an afterschool sports/activities club from 4-6pm Monday to Friday. There is a brief questionnaire on parentmail forms for you to complete, to measure what the possible uptake would be. We really value your feedback so please make sure to fill it in before it closes at 9am on Friday 20<sup>th</sup> of May.

## John 10:27-30

'My sheep listen to my voice; I know them, and they follow me'
