Catholic Life

Miss McGonigle has planned an exciting Spirituality week, which starts next Monday. The focus will be on Catholic Social Teaching and the principles of this will be brought to life through the story of Saint Carlo Acutis.

Y6 Residential

It has been another fantastic week of excitement and adventure at Marchants Hill this year. A big thank you to Mr Langlois, Mrs Musgrove and Mr Green for taking the time away from their families to give pupils such a great experience. Make sure to check out the [school facebook page](#) for all the photos.

Administering Medicine at School

If you have given permission for your child to have paracetamol or antihistamine in school we are assuming that this will continue unless you contact the school office to let us know otherwise.

Luke 17:11-19

'Get up and go; your faith has made you well.'

Attendance

A big thank you to all the families who met with Mr Croghan to create Attendance Action Plans for their children. The impact of these is already being seen with whole school attendance figures improving each week. Thank you for your support!

St Catherine's Hub

We will soon be sharing details of an exciting new initiative, St Catherine's Hub. The Hub will provide half-termly workshops for our school community. The main focus will be to help parents and carers provide the best support to their children by providing guidance on important matters which are impacting on children today (e.g. mental health, online safety). The Hub will continue to build on relationships between home and school, and also between parents/carers. All our sessions will offer a hot drink, a biscuit and time for parents and carers to talk and get to know each other!

Look out for an email which will give you the chance to have your say on what content you would like to see covered first and also what timings suit you best.

Diary Dates

October

Tues 21 Y4 Greek Day
Y2 Forest School Presentation 2.30pm
Parent and Teacher Consultations
