Girls Football

Our Year 5 and 6 Girls Football team have been in action in recent weeks. Check out our [website](#) to find out how they got on.

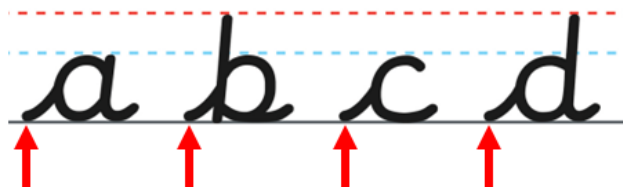

Attendance

Our new attendance policy is available to read on our [website](#). A big well done to Year 6 St Cecilia who continue to top the attendance leaderboard with 96.6% attendance.

Handwriting tip of the Week

To support our whole school focus of developing handwriting, we will take a break from **Word of the Week** for a little while and instead have a handwriting tip which will help you support your child's writing at home.

When writing any lower case letter, the pencil always starts on the line.

Building Independence - The 5Bs

We have been working on building pupils' independence in class, particularly around what to do when they are finding their work tricky. We have introduced the 5Bs to empower them to find their own solutions before reaching out to an adult.

Brain – If you are stuck, think about it first and try to work out the answer on your own!

Board – If you are still stuck, look at the board. There is usually a clue or answer there.

Book – If you are still stuck, look in either your book or the textbook next.

Buddy - Still not sure? Ask your 'buddy', they might know.

Boss – If they don't know either, chances are lots of people are confused. This is now the time to ask me for help!

Mark 12:28-34

'Love the lord your God with all your heart.'
