World Mathematics Championships

Rayhan, Hayden and Aleksander proudly represented the school at the World Mathematics Championships held at St Oscar Romero School. They took part in a range of challenges and had a fun day applying all of their maths skills.

Earthquakes in Turkey and Syria

Our thoughts and prayers go to those affected by the earthquakes in Turkey and Syria. The proceeds from today's Fairtrade Tuck Shop will go towards supporting the recovery and we will plan further fundraising after half term.

World Book Day

We will now be celebrating World Book Day at St Catherine's on Friday 3rd of March, so as not to clash with potential strike action the day before. Please see information sent out today on parentmail for further details.

Readathon

Don't forget to keep the momentum going with our Readathon challenge over half term. Participants will be entered into a special prize draw to take place on World Book Day (3rd of March).

Birthday Treats

For those wanting to bring in treats for the class to celebrate your child's birthday, please be mindful that we have many pupils with allergies, particularly to nuts. Little bags of Haribo are always the safest option!

Word of the Week: interrupt

Attendance

Thank you very much for all of your efforts to get pupils in to school on time and ready to learn. Once the bell rings in the morning, learning starts in the classroom so it's important to do all you can to ensure pupils are in early. For those with attendance below expectations, you will receive a letter over the coming week, reminding you of the impact of absence on pupils' learning. For those receiving a second attendance letter this academic year, the letter will detail next steps to be taken if attendance does not improve. As always, the school is here to help, so if you would like further support in overcoming any attendance issues, please do not hesitate to contact the School Office.

Matthew 5:13-16

'You are like light for the whole world.'
