Pastoral Support Assistant

Before half term, we said goodbye to Miss Matthews who is moving on to an exciting opportunity elsewhere. We are delighted to say that Mrs Smith has now taken up the role of Pastoral Support Assistant in the school and will carry on the fantastic work that Miss Matthews has been doing.

Topic Overviews and Knowledge Mats

Topic Overviews (overviews of all the learning going on in each subject within a topic) and Knowledge Mats (the information we want pupils to understand and remember for a topic) are now on our website for our new topics in KS1 and KS2. Make sure to check them out!

After School Club

Thank you to everyone who took part in our questionnaire to gauge interest in providing an after school sports/activities club from 4-6pm Monday to Friday. We are currently working through the logistics of putting this in place to see if it is something we are able to offer at this moment in time. We will be in touch on this matter before the end of term.

House Teams

Thank you for your suggestions for new house team names. As a school, we have decided to go for four inspirational people we learn about as part of our curriculum: Rosa Parks, Tim Peake, David Attenborough and Florence Nightingale. So our new teams will be Team Peake (blue), Team Attenborough (green), Team Parks (yellow) and Team Nightingale (red). Pupils will be told which team they are in today and will take home a strip of paper with their name and team colour to let parents/carers know. Siblings have all been kept in the same house team. Pupils can wear their house team colours at Sports Day next week.

Attendance

Regular and punctual attendance is of paramount importance in ensuring that all children have full access to the curriculum. At St Catherine's, we believe that every day in school counts and we are currently developing a new attendance policy. This will be shared in due course, ready to be implemented in the new school year.

Healthy Week

Next week is Healthy Week and pupils will be learning all about how to live a healthy lifestyle. Look out for information packs which will be sent home with lots of fun activities and ways to keep your children healthy and happy.
