Google Classroom

Homework in KS1 and KS2 has now moved to Google Classroom. We will continue with another Google Classroom Workshop after school in the hall next Thursday. You can access all the information you need to log on for the first time on our [website](#).

Keeping safe in the sun

The sun is out and hopefully here to stay. As the temperatures rise, please ensure that sunscreen is applied in the morning before school and pupils bring a water bottle to keep hydrated throughout the day.

Administering Medicine at School

If you have given permission for your child to have paracetamol or antihistamine in school we are assuming that this will continue unless you contact the school office to let us know otherwise.

Golden Jubilee Picnic

We are all very much looking forward to our **Golden Jubilee picnic (3.30pm-5.00pm) on Friday the 17th of May** for the school's 50th anniversary of being on our Highdown Drive site. It will be a busy day of activities. Bishop Richard will lead mass in the morning and also join us as we bury a time capsule and plant a tree to mark the occasion. Across the day, pupils will be moving to different classes to work with different teachers on special themed activities, covering each decade over the last 50 years. Please see the email for further details, including what pupils are dressing up as on the day!

Word of the Week: pressure

Sports Reports

Our Year 3 and 4 Golf Team took part in the Southern Area Finals. The competition was fierce but they rose to the challenge and finished in 4th place out of the 8 schools that qualified for the finals. An outstanding achievement for the team with each member playing their part. Remember you can keep up to date with all of Mr Green's sports reports on our [website](#).

John 15:9-17

'As the Father has loved me,
so have I loved you.'
