Garden Project

We had a successful start to the Outdoor Area project with our working party day on Saturday 9th October. The objective of the day was to clear the area and we were greatly assisted by staff from Bells Gardening in Worthing, a member of Littlehampton and District Lions, the Mayor of Littlehampton and a willing group of parents and staff. Refreshments were kindly donated by the Community Champion from Morrisons in Littlehampton which were welcomed by the volunteers. The school has also received a fabulous new wheel-barrow from the Littlehampton and District Lions, paving stones from local resident Coral Botting, pallets and fencing from Matt Woodward from MW Landscapes and pallets from Bees Knees and Kevin Jones from Flash Trash Recycling. The project is on-going and we will now set about creating a sensory and prayer garden, an outdoor classroom and a raised bed area to enable the children to do their own growing. We also have an article in the [Littlehampton Gazette](#) this week.

Harvest Day

Thank you for all your kind donations to CAFOD and Turning Tides. We raised £196.26 for CAFOD and had two large trolleys for Turning Tides. Thank you also to Roger Chamberlain (grandad of Theo) who baked our harvest bread.

Staffing Update

Mrs Markwick will sadly be leaving us on Tuesday 2 November 2021. We will be sorry to see Mrs Markwick go. She has worked at St Catherine's for 16 years and been a dedicated and important part of the team. We wish her every success in her new job outside of education.

Stone Age Homework
