## St Francis Class

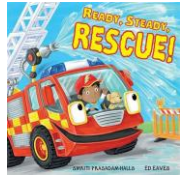

Week Beginning: 16/1/23

We are continuing with our topic '999, What is your Emergency?'

For the next few weeks we will be focussing on the Fire Service and how they help our community. We are lucky enough to have the Fire Service visit us this week!

We will be using the books 'Fire Engine is Flashing' and 'Ready Steady Rescue!' to help us with our learning.

In maths we are learning about comparing mass and capacity.

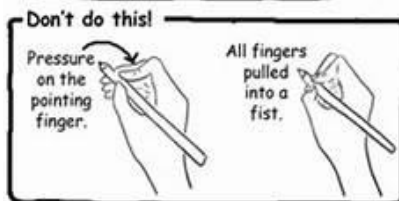

The phonics we will be learning are:-

*ow, oi, ear, air, ure, er*

We are learning that two letters that make one sound are called '**digraphs**'. We are also learning that three letters that make one sound are called '**trigraphs**'.

We are working on writing the letters correctly and using them in our reading and writing.

Thank you!

Thank you to the parents who continue to return the 'Did you know...' slips (paper copies in book bags).

They have been added to your child's Learning Journal and it is great to see how your child is developing as a learner.

Also, you can see what the children have been doing in school through 'Tapestry'. You are welcome to add your own observations and photos of what your children have been achieving at home. It is lovely to see what they enjoy.

Here is a reminder of how we write our letters in school. Some letters stay on the grass, some go into the sky and some go down into the mud.
