

Foundation Stage News

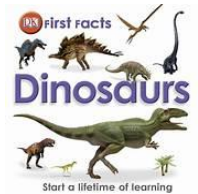

St Francis Class

Week Beginning: 20/2/23

We have a new and exciting topic for this half term - 'Fantastic Beasts!' We will be finding out about dinosaurs, dragons and minibeasts!

For the next few weeks we will be focussing on dinosaurs. We will be reading dinosaur poems and using non-fiction texts to find out dinosaur facts.

We will be using the books 'Mad about Dinosaurs' and 'First Facts: Dinosaurs'.

The phonics we are working on reading and writing are:

*ea, air, ure, er, ai, ee,
igh, oa, oo/oo*

We are learning that two letters that make one sound are called 'digraphs'. We are also learning that three letters that make one sound are called 'trigraphs'.

We are working on writing the letters correctly and using them in our reading and writing with growing independence.

Maths:

In St Francis' class we have worked through the numbers 0 to 10. We are continuing to look at representing the number, comparing numbers and the composition of each number i.e. how the number is made. We have also looked at one more and one less.

Through this the children are developing a great understanding of number and they are using this to solve problems.

Online library of books:

Thank you for reading with your child at home. Please remember to look at 'Collins ebooks'

ebooks.collinsopenpage.com

Your child has an 'online library' of books to enjoy (username and password for this is at the front of your child's Reading Record)

Here is a reminder of how we write our letters in school. Some letters stay on the grass, some go up into the sky and some go down into the mud.
