Introduction

This policy has been formulated with our school community in mind and by seeking advice and guidance from outside agencies including the Diocese of Arundel and Brighton Education Service, the Catholic Education Service and the Department for Education. The ideas and philosophies in *Christ at the Centre* (Stock 2013) and in the Catechism of the Catholic Church (CCC) have also helped to inform this policy.

The Importance of the Role of Parents in Religious Education

Our school community recognises the central role parents have in the religious education of their children. The Bishops' Conference of England and Wales re-iterated in their statement on Religious Education in Catholic Schools (2000): "***The first educators in the faith are parents.***"

In recognition of this, we strive to maintain a faithful partnership with parents, communicating clearly both the curriculum and the wider spiritual opportunities offered to families and warmly inviting parents to share their knowledge and experiences with the school community.

Our school works closely in partnership with the home and St Catherine of Alexandria parish community to which our children belong. The General Directory for Catechesis confirms, "***This partnership between home and parish is enhanced by the role of the Catholic school in which the educational mission of the Church finds a particular and important expression.***" Religious Education in a Catholic school encompasses the whole educational mission of the Church and is not confined to timetabled Religious Education lessons.

The Importance of Religious Education

Religious education is the "***core of the core curriculum***" in a Catholic school ([Pope St John Paul II](#)). Placing religious education at the core of the curriculum helps the school to fulfil its mission to educate the whole person in discerning the meaning of their existence

A Catholic education is "***focused on integral formation of its students and at the same time prepares them for full participation in civic life. It forms the Catholic student as 'both human and a person of faith, the protagonist of culture and the subject of religion'. It teaches subjects with methods proper to them and at the same time imbues the whole curriculum with a Christian outlook. It is established for Catholic students and at the same time draws others to its doors. In short, the Catholic***

school reflects the apparent paradox of the incarnation that is resolved in Christ: it is both fully Catholic and really a school. Religious education in a Catholic school also bears witness to the same mystery: it is both fully religious and genuinely educational." ([Religious Education Directory](#) p9).

Our Aims for Religious Education

Religious education is at the heart of our school life. We aim to ensure that all pupils will have the opportunity to:

- Understand and live out our school mission statement
- Recognise and appreciate the religious and spiritual dimensions of life
- Develop a deeper knowledge and understanding of Catholic teaching and traditions and of the teaching of other religions, so that they can explain these ideas confidently
- Make links between learning in religious education and in the wider curriculum
- Take the space to reflect and ask questions about their own and others' experience of life
- Deepen their personal faith commitment and respect the world views of others
- Develop a sense of love and responsibility for themselves, one another and the world around them, so that they can respond to this understanding in daily life (Catholic Social Teaching)

The Curriculum

At St Catherine's Catholic Primary School, religious education is primarily based on the Religious Education Directory (RED) "To Know You More Clearly". In line with the Bishop's mandate, the RE curriculum is taught through the Diocesan 'Day by Day' resources.

In recognition of the importance of religious education in our school, we devote 10% of the teaching week to religious education lessons. In Key Stage 1 and Key Stage 2 this is 2 hours and 30 minutes, not including Collective Worship. In Early Years, the timetable and learning style is more flexible, but teaching of Religious Education is prioritised to give children the opportunity to engage fully with the curriculum.

The Religious Education Curriculum Directory has a clear framework for learning:

Four Knowledge Lenses: Hear, Believe, Live and Celebrate indicate what should be known by the end of each age phase.

Ways of Knowing: Understand, Discern and Respond are the skills through which children progress and develop their thinking during the curriculum journey.

Expected Outcomes set out for each year group what pupils should be able to know, remember and do.

Curriculum Branches divide the model curriculum into half-term units of study which repeat annually, giving a spiral curriculum which allows children to build progressively on the prior knowledge and develop their understanding year by year.

The curriculum branches are:

Autumn 1	Creation and Covenant
Autumn 2	Prophecy and Promise
Spring 1	Galilee to Jerusalem
Spring 2	Desert to Garden
Summer 1	To the Ends of the Earth
Summer 2	Dialogue and Encounter

The curriculum is firmly founded on building children's knowledge and understanding of Scripture, while providing opportunities to make connections to other faiths and cultures, as well as to their daily lives.

RE Intent

Religious Education takes pride of place in the school curriculum. It complements and enhances experiences which pupils gain in other areas of their academic, social and spiritual development. We aim to prepare our pupils for life in the 21st century, equipping them to be resilient and active participants in building God's kingdom. We work together to educate them so that they are able to apply their knowledge and understanding of God's work in all they encounter in the world of both today and tomorrow. We believe that every child's RE book is special and that it serves as a record and reminder of their faith journey.

RE in the classroom and beyond

At St Catherine's Catholic Primary School, the teaching of religious education is designed to be as varied and creative as possible, to help children to engage fully with the ideas explored, to ask wondering questions and to lead their own learning in discerning their response.

Learning within the classroom may include:

- Whole class discussion and teaching
- Group discussion and feedback
- Drama and role play
- Independent research
- Exploration through music and art
- Godly Play/Small World Props/Bible Bags
- A variety of written and artistic tasks

Learning in religious education cannot always be recorded and does not begin or end in the classroom. Learning from religious education will also flow into other curriculum areas as pupils make links between their learning. We aim to give children the opportunity to connect their formal learning with their wider understanding through regular opportunities to reflect and respond.

Learning beyond the classroom may include:

- Following the example of a role model in daily life at home or in school
- Participation in charitable activity and fundraising
- Involvement in St Catherine's parish church (children's liturgy, first Holy Communion programme, altar servers)
- Inspiration through reflection in prayer and liturgy
- Conversations with clergy or parishioners in school
- Response to catechesis in the parish e.g. for Reconciliation or First Holy Communion
- Engagement with programmes based on Catholic social teaching e.g. Oscar Romero Award
- Membership of the Aspiring Apostles group

We work closely with parents and with the parish to support children's progress in understanding and developing on their curriculum and faith journey.

Other World Views

Catholic education seeks to form pupils who are well prepared to play a positive role in society and to follow Jesus' teaching to "love your neighbour". We therefore embrace learning about other world views with ***"a willingness... to try to understand better the religion of one's neighbours, and to experience something of their religious life and culture."*** (Catholic Bishops' Conference of England and Wales)

The Religious Education Directory includes a branch called 'Dialogue and Encounter' which focuses specifically on exploring other world views and recognizing the connections with the Catholic faith. Opportunities for dialogue and encounter are sought throughout the academic year and especially focus on broadening pupils' experiences and on real-life encounters with those of other faiths or none, to enable connections and develop understanding. Examples may include:

- Opportunities for families in our community to share their faith and experience
- Conversations with invited visitors about their beliefs and experiences
- Q&A with faith leaders online or in person
- Guided exploration of artefacts from other faiths
- Independent reading, research and discussion

External speakers are always checked in line with the CES checklist for external speakers, to ensure safe and constructive dialogue and encounter opportunities for our pupils. [External Speaker Checklist](#)

Feedback, Assessment, Recording and Reporting

Developmental/on the spot verbal feedback is given in Religious Education to support children's progress and to challenge their thinking. During/at the end of each lesson the class teacher completes the RE Learning Log. This follows the school's Feedback Policy.

Assessment follows diocesan and national guidelines, assessing against the expected outcomes for each branch in the Religious Education Directory. Each Half Term a different group of six pupils with mixed ability attend a 'Learning Lab' session with their classteacher. Prior to the session the teacher will have looked at their books carefully and prepared a number of questions/tasks that are pertinent to those pupils and enable them to assess the depth of their knowledge and understanding (please see bespoke class booklets 'Assessment Support Resources for Learning Lab Sessions'). This session is not formally recorded by the pupils, the teacher takes notes and from this session is able to identify 'Next Steps' for the class as a whole. Pupil attainment is recorded Termly on the school's assessment recording system and progress is tracked regularly by the RE Lead and SLT in line with the school's Assessment Policy. Data outcomes are discussed alongside other core subjects at termly Pupil Progress Meetings.

The RE Lead moderates outcomes in Religious Education both internally and with local Catholic schools, to ensure consistency of expectations with other schools in the diocese.

Outcomes for Religious Education are shared in line with other core curriculum subjects, both during parent consultation meetings and in end-of-year reports.

Monitoring and Evaluating

RE Leaders and SLT monitor every aspect of Religious Education in line with other core curriculum subjects. Monitoring (lesson visits, pupil voice/completion of questionnaires, scrutiny of books, scrutiny of Learning Logs, data scrutiny, analysis of planning and teaching slides) is conducted regularly and feedback is given to individual staff. Outcomes may inform further training at staff meetings or actions for the subject action plan.

Self-evaluation of Religious Education is the responsibility of the Headteacher, the RE Lead, Governors and the Senior Leadership Team, with further input from all teachers of religious education, from families and from pupils. This process ensures a culture of continuous improvement, so that teaching and learning in Religious Education remains the best it can be.

Staff Formation

All staff support the Catholic ethos of our school and strive to develop children's progress and understanding in matters of faith. There are regular opportunities for all staff to engage in personal prayer and reflection which may support their professional role. Formation of staff is a priority and each week at the staff briefing a question (taken from YouCat Kids) is posed for staff to reflect on, it is displayed in the staff room and the following week, staff share their thoughts and ideas and reflect on the messages from YouCat.

All teachers involved in planning and delivering Religious Education lessons have attended half-termly diocesan training on the curriculum directory resources. The RE Lead collaborates with other local schools and the BOSCO Catholic Education Trust to share best practice more widely.

This Policy is in keeping with the following:

- School Mission Statement
- The Teaching and Learning Policy
- The Prayer and Liturgy Policy
