

English

During guided reading and writing lessons, we will be looking at two quality texts, **The Star** and **Planetarium**. We will use these as inspiration to write our own **finding tales** and **persuasive texts**. Both of these pieces of writing will be based on our topic, including designing our own space stations! We will study each text during guided reading lessons and combine this knowledge with our developing writing skills to produce quality pieces of writing.

Maths

Fractions

During our fraction unit we will learn about equivalent fractions, unit and non-unit fractions, converting mixed numbers and improper fractions, comparing and ordering fractions less than and greater than one, adding and subtracting fractions and mixed numbers.

All lessons will consist of securing our **fluency** of each objective and developing our **reasoning and problem solving** skills.

RE

This half term our Advent topic is called **Prophecy and Promise**. It focuses on the Book of Samuel and the life of King David, why he was chosen by God and the qualities he had to be a king to his people. It also looks at Psalm 23, the Jesse tree and the O Antiphons.

Year 5 – Autumn 2

Space - The Final Frontier
