

English

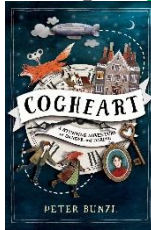

Writing

PERSUASIVE BLOG - writing a persuasive blog about replacing teachers with mechs.

SHORT STORIES – writing short stories with different focus areas – suspense, defeating the monster etc.

Reading

We will be reading the incredible novel Cogheart by Peter Bunzl.

Computing

This unit explores the benefits of creating common graph types, digitally. Children will create a range of familiar graph types and explore features that make it easy to present data in the best possible way.

Physical Education

Indoor PE – Liturgical Dance
Indoor PE - Gymnastics

Music

We will also be improvising over Bacharach Anorak and Meet the Blues whilst also listening to and appraising a range of songs. We will also be learning the songs for our Christmas Carol Concert.

Art and DT

The artist we focus on in this topic is English artist William Morris, famous for his floral and animal based prints/wallpapers. We will also be creating a tote bag in DT which will be sewn together with our William Morris prints on the front of the bag!

Religious Education

Prophecy and Promise is our topic for this half-term and it is centred around the women of the Old Testament whilst focusing on our Mother, Mary as we build up to Christmas. We dive into scripture and look at how the role of women in the Bible is crucial to our salvation story!

Autumn Two

The Vile Victorians

History

Our main focus in history is learning about the importance of the Victorians within World and British history. We look at some of the key aspects of Victorian Britain: The British Empire, Workhouses, Railways and Victorian Inventions. We learn about how important the Victorian era was within the history of the world.

Science

We learn all about light in this science unit. Looking at reflection, refraction, shadow and how light travels.
