Reading at Home

Learning to read is one of the most important developmental milestones in a child's life and reading practice both in school and at home is crucial in supporting them to achieve this. Please make sure you are encouraging pupils to pick up a book at home and show how much you value this important skill by reading to them, listening to them read or having discussions about what they have read. It is also vital that book bags come in to school each day to allow books to be changed and reading journals to be used. Thank you for your support in this.

King's Coronation Picnic

We are all looking forward to the Coronation Picnic. At the picnic, we will start selling tickets for our summer raffle. The draw for this will take place on Sports Day.

In advance of the picnic, we are asking people to donate any coronation bunting or decorations they may have left over from the celebrations to use at our picnic.

Chartwells Online Ordering

Don't forget to activate your Chartwells online accounts if you haven't done so already. Usernames and passwords have already been sent out but we are able to provide temporary passwords if needed. Please contact the office if you are having any issues.

Luke 14:1-12

'I am the way, the truth, and the life.'

Administering Medicine at School

If you have given permission for your child to have paracetamol or antihistamine in school we are assuming that this will continue unless you contact the school office to let us know otherwise.
