### Free Breakfast Club - Parent Interest Survey

We may soon have the opportunity to introduce a FREE daily breakfast club (8:15am-8:45am), delivered in partnership with Good Ground Childcare and funded by the Department for Education. Before any decisions are made, we would really like to understand whether our families would be interested, so we can assess demand and plan appropriately. This short survey helps us understand interest and does not commit you to using the club. Please take 1-2 minutes to complete – thank you for your support. <https://forms.gle/esgs53obSuppD1ST6>

### Catholic Life

Last term, we welcomed Fr Joseph to the parish when he joined us for Reconciliation. We are delighted to announce that he will also be joining our governance team. He will be a great addition to the school!

### Administering Medicine at School

If you have given permission for your child to have paracetamol or antihistamine in school we are assuming that this will continue unless you contact the school office to let us know otherwise.

### Locality Week

Lots of our pupils got out and about as part of a great locality week last week. A huge thank you to the parents who came in to speak to the children about their cultures to round off the week on Friday last. Children learnt new languages and were able to taste food from different countries, which was thoroughly enjoyed! What a fantastic way to end an exciting locality week.

### Luke 24:13-35

'Then their eyes were opened and they recognised him.'

### Attendance

Team Nightingale (red) have earned 200 house points this school year from the monthly house team attendance competition. These extra house points pushed them to the top of the leaderboard for spring and they will enjoy a fun afternoon of sport with Mr Green next Thursday as their reward.

### Times Tables Rock Stars Day

What a brilliant, fun-packed Times Tables Rock Stars assembly this morning. We had guest judges, a live battle, a best-dressed competition and we finished on a high by crowning our Air Guitar champions. Jack (Year 4) was crowned the new school TTRS champion with an impressive performance in the live battle. Ellie and Hollie (sisters from Year 3 and 2) won the best dressed competition, and Avery (Year 1) and Maggie (Year 6) scooped the top prizes in the Air Guitar competition. A big thank you to all pupils and staff for making such a fantastic effort.

As we explained in our assembly, strong counting and times tables skills give pupils a solid foundation to be successful in the rest of the maths curriculum. So make sure to keep encouraging pupils to practise and we might have some new winners next year!
