8 May 2026

## Sports Reports

There has been lots of sporting success at St Catherine's in the last few months. Make sure to check out the [Sports Reports](#) page on our website for details of the amazing performances from our Netball and Golf teams.

## Attendance

We encourage all of our pupils to make a 'Smart Start' to the school day. This means getting to school before the bell rings, walking to class independently, calmly putting their belongings away, quietly entering the classroom and quickly and confidently starting their task. Learning starts in the classroom at 8.45am so make sure your child is in early so they are not missing out.

## Catholic Life

After Easter, many Catholic communities celebrate the resurrection with a simple but powerful symbol: the flowering of the cross and we do the same at St Catherine's, as the cross is transformed into something full of colour and life as each class adds their creations. This moment helps make the meaning of the resurrection tangible. The cross, once a sign of death, becomes a sign of new life. For children, the act of adding flowers is more than symbolic— they take part in the story itself.

## Summer Fayre

We're really looking forward to the Summer Fayre next Friday and hope many of you will be able to join us. At the moment, the weather forecast is not looking particularly favourable, so we will continue to monitor it closely over the weekend and early next week. If necessary, we will make a decision about postponing the event and will keep you updated as soon as possible.

In the meantime, please don't forget to sell your raffle tickets and return any completed ticket stubs and money to the school office.

## Free Breakfast Club: Parent Interest Survey

We may soon have the opportunity to introduce a FREE daily breakfast club (8:15am-8:45am), delivered in partnership with Good Ground Childcare and funded by the Department for Education. Before any decisions are made, we would really like to understand whether our families would be interested, so we can assess demand and plan appropriately. This short survey helps us understand interest and does not commit you to using the club. Please take 1-2 minutes to complete — thank you for your support. <https://forms.gle/esgs53obSuppD1ST6>

## Diary Dates

### May

- Mon 11 Y3 Trip to Fishbourne
- Mon 11 - Thurs 14 Y6 SATs Week
