

St. Catherine's Catholic Primary School

Sport Premium Grant (SPG) Expenditure 2018-19

The Overview

For 2018/19 the total amount of SPG Funding will be in the region of:	£17,410
---	----------------

There are currently 243 pupils on roll.
--

"Playing sport helps to keep people healthy and is good for communities. Playing sport at school or in a local club is also the first step to competition at the highest level, which helps improve our reputation as a sporting nation, and contributes to economic growth.

But when people leave school they often stop playing sports, which means people can't fulfil their sporting potential, and can lead to a less healthy lifestyle. We want to get more people playing sport safely from a young age, and help them keep playing sport throughout their life, no matter what their economic or social background."

Department for Culture, Media & Sport and the DfE.

Up until at least the academic year 2018/2019, the Government is making available to all schools a sum of money annually to allow them to continue to develop sports provision within school and to help schools increase pupil participation in sporting activity. This money presently equates to £16000 per school per year plus an additional £10 per pupil. For our school this means approximately £18,000 per year.

This document will detail the sporting vision for the school linked to the areas the SPG will be allocated to this year, alongside the way the school will evaluate the effectiveness of how the money is spent and how we will ensure sustainability.

The Vision

At St. Catherine's Catholic Primary School we believe in an approach that is holistic, focusing on the development of sport and physical activity for all. It encourages collaboration and partnership, working to make the best use of resources. We strive to enhance PE and sport provision in order to raise participation and achievement for all pupils. The SPG will be spent in line with the whole school vision statements highlighted below.

Vision Statement	How we will achieve this...
Continue high levels of participation in Inter-School events, as well as Intra-School competitions for both KS1 & KS2 pupils.	<ul style="list-style-type: none"> ▪ Continue to compete in ALL inter-school locality competition events. ▪ Develop a sense of teamwork through house team competitions and inter-school events. ▪ Sports Crew to organise and run 6 house team events throughout the year with house team successes celebrated across the school (e.g. football, matball, rounders, tag rugby, netball etc.).
Establish daily 'Active Lunchtimes' and increase number of after-school clubs with greater pupil engagement.	<ul style="list-style-type: none"> ▪ School to encourage staff to be more involved with extra-curricular sports activities. ▪ PE & Sports Assistant to provide daily 'Active Lunchtimes', whilst training Sports Crew to lead them. ▪ Sports Crew to be given responsibility to get out and put away equipment, and also run 'personal challenges'. ▪ Maintain healthy number of outside agencies supporting PE & Sport after school hours.
Train and develop our school SPORTS CREW to enable them to organise & run KS1 and lower KS2 intra-school competitions.	<ul style="list-style-type: none"> ▪ Advertise for new KS2 Sports Crew members and train appropriately. ▪ PE & Sports Assistant to work alongside Sports Crew to organise & run intra-school competitions to increase amount of competitive sport in school. ▪ Sports Crew to be involved with running Sports Days, organising PE equipment and assisting with lower school inter-school events. ▪ Introduce Mini Sports Crew for Year 2 children.
Enhance and progress the quality of PE teaching within the school.	<ul style="list-style-type: none"> ▪ All teachers to work alongside Professional Coach for 6 weeks CPD (2 x observe, 2 x team teach, 2 x teach and receive feedback). ▪ PE Leader and PE & Sports Assistant to attend locality training as well as additional teachers who require CPD. ▪ Lesson drop-ins and observations from PE Leader or PE & Sports Assistant to up-skill whole school staff. ▪ Children to engage in daily sports activities for 12min to give an extra 1 hr per week (during afternoon timetable).
Increase the standards required to maintain the School Games (KS2) 'Gold Award' and achieve the equivalent 'Quality Start' (KS1) mark.	<ul style="list-style-type: none"> ▪ PE Leader and PE & Sports Assistant to ensure that all 'Gold' award standards are adhered to by regular checks with regards to the specific points to meet.
Raise the profile of healthy lifestyles within the school.	<ul style="list-style-type: none"> ▪ Organise and run an after school healthy lifestyles club. ▪ Arrange a healthy lifestyles focus week in the school year. ▪ Increase number of children involved in after-school and lunchtime clubs ▪ Active lunchtimes to feature on a daily basis. ▪ Target children who are deemed 'inactive' and increase their participation in sport.

Throughout the year the vision statements will be carefully monitored in relation to how well the school is achieving each statement. The PE Leader will be using the statements alongside the PE Action Plan to ensure that high quality PE and a range of sporting opportunities are in evidence throughout this academic year 2016/17.

The Spend

Detailed below is the breakdown of the areas in which the SPG will be spent. It is likely that other expenses will crop up during the year and these will be available in the report following the 2018/19 year, published by April 2020.

Area of SPG Funding	Projected Spend
LASP (Littlehampton Area Sports Partnership) Contract 2018/19	<i>Already paid</i>
Professional Sports Coaches (lessons and staff CPD)	£1,200
School Sports & PE Support Assistant	£12300
PE & Sports Equipment	£1500
Transport to Inter-School Sports Competitions	£50
Professional Development Opportunities (courses/fees, release time)	£1200
Sports Kit (Sports Crew & School Teams)	£450
Staff Sports Kit	£300
Miscellaneous (extra costs throughout the year)	£300
TOTAL	£17300

The Success

In order to ensure that the SPG is being utilised as effectively as possible it is important to have clear ways of measuring the success of the spending. Listed below are the practical ways the funding will show its impact.

➤ St. Catherine's will have once again won the LASP 'participation' trophy for participating in every single inter-school sports event.
➤ St. Catherine's will have achieved their highest ever position in the LASP Legacy League (see http://www.laspinspires.co.uk for further details).
➤ The number of children involved in competitive sport (intra & inter school) will have increased on the previous year, so that every single child in the school will have competed in a sport at some sort of level.
➤ Regular celebration of sporting success and achievements through weekly assemblies (Friday pm), Social Media reports and the school sporting success display.
➤ The pupils will have had access to a healthy lifestyles club, as well as an in-class healthy lifestyles week where sleeping well, eating well and exercising regularly are encouraged.

➤ The school Sports Crew will have had a higher profile within the school through organising and running a range of intra-school competitions, and assisting at all large inter-school events, such as, Sports Days.
➤ The teaching staff will have developed their ability to deliver high quality PE lessons through a more rigorous approach with the Professional Coach who will have worked alongside the staff to up-skill appropriately through observing, team teaching and effective feedback.
➤ PE Leader and PE & Sports Assistant will have observed a range of PE lessons and given helpful and insightful feedback in order to further improve the teaching of PE in the school.
➤ PE Leader and PE & Sports Assistant will have worked diligently to ensure that all the criteria to maintain the 'Gold' School Games Award are met, as well as the 'Gold' standard for the KS1 Quality Start mark.
➤ PE & Sports Assistant will have led Active Lunchtimes and increased number of after-school clubs provided.

The Sustainability

Due to the doubling of the Sports Premium Grant, it is now expected that this document details how we will achieve future sustainability within our PE curriculum and other sporting activities.

Vision Statement	How to be sustainable
Continue high levels of participation in Inter-School events, as well as Intra-School competitions for both KS1 & KS2 pupils.	<i>The PE Co-Ordinator and PE & Sports Assistant will ensure that all Inter-School Sports events and Tournaments are attended and the workload will be shared). This will ensure that attending all events is manageable and each team attending will have a greater number of training sessions before the event through working with the PE & Sport Assistant. Intra-School events will take place during each term involving all children across KS1 & KS2, culminating in a School Sports Day at the end of the summer term. This will show increased participation in competitive sport.</i>
Establish daily 'Active Lunchtimes' and increase number of after-school clubs with greater pupil engagement.	<i>This will be sustainable through all staff members buying into the PE & Sport Vision and also using our PE & Sports Assistant to organise and run a greater number of after-school clubs/activities. This (alongside the Active Playtimes) will ensure a broader experience of a range of sports and activities is offered to all pupils.</i>
Train and develop our school SPORTS CREW to enable them to organise & run KS1 and lower KS2 intra-school competitions.	<i>Training for this will be provided by our PE & Sports Assistant. This is a brilliant and sustainable approach as the Sports Crew become essential in organising sports activities and events within the school to ensure a broader age of sports and activities are offered to all pupils during the academic year. These Sports Crew members then support and train new members for the following academic year.</i>
Enhance and progress the quality of PE teaching within the school.	<i>Through hiring qualified sports coaches to work alongside teachers to develop PE & Sport, we will ensure all members of the teaching staff gain increased confidence, knowledge and skills in teaching PE and sport. The sustainability comes through the 6 week CPD process (2 x observe, 2 x team teach, 2 x teach and receive feedback), which will upskill both the class teacher and teaching assistant as they work with a professional sports coach. We will be able to use our PE & Sports Assistant to observe and give additional feedback as well as support the lesson with equipment, set-up etc.</i>

Increase the standards required to maintain the School Games (KS2) 'Gold Award' and achieve the equivalent 'Quality Start' (KS1) mark.	<i>Through maintaining the Gold School Games Mark, the profile of PE and sport will continue to be raised across the school and areas for improvement will be noted and acted upon. The aim will be to look towards achieving a 'Platinum' award in 2019/2020. The award will be celebrated within the school and the PE and sport profile raised. We will also achieve the 'Gold' KS1 Quality Start mark to recognise all the brilliant PE & Sport happening in KS1.</i>
Raise the profile of healthy lifestyles within the school.	<i>With the Chief Medical Officer recommending that all children and young people aged 5 to 18 engage in at least 30 minutes of exercise in school, we have employed a PE & Sports Assistant to organise and run 'Active Playtimes' on a daily basis. This will provide a minimum of 55mins of planned exercise in the school day, in addition to the after school club programme. The finances for this position will be provided by the Sports Premium (as we are raising the profile of PE to a level we cannot achieve with only one member of staff) but as a school, we will look to ensure the sustainability of this role for future years from our own budget.</i>

The Past

The following information details the ways that the **2017/18** SPG was spent and the impact that it has had. For more details about the SPG from last year, please contact the PE Leader (Mr. T. Langlois).

In the academic year of September 2017 to July 2018 we received £17,410. The SPG funding was spent in line with our school vision for sports. With this in mind in 2017 – 2018 we spent the grant on:

- Professional Coaches who coached the children in Hockey, Football, Tennis, Dance, Tag Rugby, Team Sports and Boccia.
- Transport, i.e. taxis, so that KS1 and KS2 children could take part in our LASP inter-school tournaments and our School Sports Teams could play away sports fixtures against local schools.
- 2 Year payment to the LASP Co-ordinator who (within the locality) organises, hosts and runs a wide range of sports tournaments and competitions for all ages and abilities.
- New equipment which could be used by all pupils during PE lessons and for improved lunchtime activities.
- CPD of staff through working alongside coaches.
- Coaches to run a variety of after school clubs free of charge.
- New School Staff Polo Shirts for use in Inter-School Competitions and to raise the profile of PE within the school (intra-school competition and PE Lessons).

Impact

- The school achieved a high LASP legacy league finish out of the nine schools in their league.
- The school took part in all LASP locality competitions, including – handball, football, cricket, table tennis, tennis, stoolball, rounders, tag rugby, indoor athletics, boccia, NAK for a range of ages – KS1 & KS2.
- The School Sports Crew took an active role within school sport, giving leadership opportunities to more than 40 different pupils, including captaining sports teams, running lunchtime clubs, organising intra school competitions.
- All children in in years R-6 benefitted from a half-term working alongside a professional coach who delivered a range of high quality lessons.
- New equipment enhanced children's enjoyment of PE lessons and enabled

- new sports clubs to be set up for the children to benefit from.
- Staff skills and confidence in teaching aspects of PE have increased.
- Children received quality sports coaching from outside providers through after school clubs.
- Participation in after school activities has increased with a greater range of clubs running than ever before.
- The new School Staff Polo Shirts gave the pupils an understanding of the importance of PE & Sport amongst the teaching staff and raised the profile of PE across the school.
- The school maintained its 'Gold' School Games mark, with more put into place to ensure that this is maintained for the 2018/19 year. The school also maintained its KS1 'Silver' Quality Start mark too.

Year 6 Swimming

Meeting National Curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	15%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	10%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	10%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
