

# Chatsmore Deanery – Indoor Football – (16/01/19)

Our 2019 deanery events began with an indoor football festival; we took a team of boys and girls over to Chatsmore to compete in the quick-fire tournament. We played multiple 5-a-side matches that were 3 minutes long, we didn't have a lot of time to score. The boys competed against 8 other teams whilst the girls played in a pool of 4. Each team showed great sportsmanship at the end of each game they played and throughout the evening, supporting other teams that were playing by cheering and offering words of encouragement. The boys took it in turns rotating positions and all had a game as goalkeeper, they placed joint 5<sup>th</sup> after consulting results and goal difference. The girls placed 3<sup>rd</sup> after an emphatic 2-0 win in their final game, the game featured a penalty and multiple free-kicks holding the halls attention for what felt like the longest 3 minute game!
