

# LASP Years 5 & 6 Girls Football – (09/01/19)

Our first fixture back after the Christmas break kicked off with a Year 5/6 Girls Football tournament hosted by TLA and the Year 12 Sports Leaders. Our team of 8 played 6 matches against other local schools, we lost our first two games to a narrow score-line; drew our second two games and won our last two fixtures. Despite the incredibly cold evening the girls showed progression and development in their game play which was evidenced in the results and progressed well as a team that hadn't played together in a competitive scenario before. We were also really lucky to have a strong support network of parents and guardians come down to cheer and inspire the team which really helped boost the sporting environment for the girls. Despite finishing in 7<sup>th</sup> place, the evening was a huge success for us as a school as the girls showed unquestionable sportsmanship and represented the school brilliantly!
