

# LASP Y3/4 Tri-Golf - (29/04/19)

On Monday our Year 3 and 4's went to TLA to participate in the Tri-Golf competition, we used skills in putting and chipping on a variety of stations competing in a boys and girls group. Our boys placed 3<sup>rd</sup> and our girls placed 6<sup>th</sup>, as a school we placed 5<sup>th</sup>

"I liked the chipping, when we needed to get the ball over the cones and into a score zone to score 10 points" – Jack

"I liked the event where we needed to chip the ball below a line on the wall, if we did that we could then move onto to putting. It made me laugh when Alfie chipped the ball really high" – Harry

"I liked it when we had to chip the ball onto the Velcro target, because I had to hit it high and accurately" - Poppy
