

# SWB KS2 Tennis Festival

## (17/05/19)

On Friday morning some of our Year 6 boys went to participate in the SWB Tennis Festival at Middleton's club. They got to experience a variety of tennis based games and hone their skills in a positive and fun environment before playing games and coming back to school before lunchtime. They boys all came back happy and full of energy from the day.

"I found going to play tennis fun; I really enjoyed the ghost in the graveyard game. I liked the way you have to hit the tennis ball and keep it in the box three times and catching the ball as the ghost so we can swap jobs. I was very happy when I got my medals, it made me very excited." - Leighland
